Subject: DRAFT - AHCCCS FFS Provider Manual Revisions

Attached are Chapters 6 and 11 of the FFS Provider Manual, amended for the outpatient hospital fee schedule being implemented 7/1/05 pursuant to Laws of 2004. These chapters are being sent to Contractor Consortia members, Contractor CEOs, and Hospitals for comment. The documents are stamped "DRAFT", however, if AHCCCS has not received comments from interested parties **by COB Tuesday, May 17, 2005** - this version will become final.

AHCCCS is also updating Chapter 27 of the FFS Provider Manual (Remittance Advice). The "draft" version of that Chapter will be sent to you in the next 2 weeks, with a similar time period for comments.

Please send all comments to me via this email address. If you have any questions please let us know. Thank you.
